CASE NO. C21-5242 MJP

ORDER DENYING MOTION FOR
DEFAULT JUDGMENT

18 This matter comes before the Court on Plaintiff's Motion for Default Judgment. (Dkt. No.
19 6.) The Court has reviewed the Motion and all supporting materials, and DENIES the Motion.
20 By separate order, the Court has declined to serve Plaintiff's proposed complaint for failure to
21 comply with Federal Rule of Civil Procedure 8. As such, there is no pending complaint to be
22 served. Even if there were, Plaintiff has not demonstrated proper service of process in
23 compliance with Federal Rule of Civil Procedure 4 and proof of such service. That is an
24 alternative basis for denial of the Motion.

1 The clerk is ordered to provide copies of this order to Plaintiff and all counsel.

2 Dated June 22, 2021.
